

# Individual Services

## Private AI

All the benefits of AI – without sending your data to third-party APIs.

- ✓ AI runs on dedicated VPS
- ✓ No data is sent to OpenAI, Google, or third-party AI providers
- ✓ Prompts, documents, code, and responses stay inside your environment
- ✓ Full control over access, logs, and retention
- ✓ 50+ Users can fairly use it without any limits at 80% lower cost than GPT

**Price: USD 199 /month**

## Ad-Hoc IT Support

- ✓ Available outside scheduled time slots
- ✓ Higher hourly rate applies
- ✓ Subject to engineer availability
- ✓ Ideal for urgent fixes, changes, or troubleshooting
- ✓ Delivered via secure remote session or video meeting

**Price: USD 18 /Call (1 Hour)**
